Search Committee Update

We have received two applications for the rector position! The search committee is working on questions for the Teams interview of both as well as reviewing video of sermons. After the virtual interviews, we can decide if we need further information, including possibly watching a service that the candidate does in their current locations. Please continue to pray for a rector that is a great fit for St George's and that we are a great fit for the rector.

Jannelle Combs, Chair of Search Committee

Not too late for The Good Friday Offering

Pray not for Arab or Jew, for Palestinian or Israeli

Pray rather for ourselves

That we may not divide them in our prayers but keep them both together in our hearts.

From a prayer by a Palestinian Christian- a Living Stone

Please consider a donation to the Good Friday offering for the Province of Jerusalem. Envelopes are available in the narthex.

Church Directory Draft Copy—Final Call Take a moment to check the draft copy of the directory before we print. They can be found in the narthex. Help us to assure that we have correct phone numbers and emails for you and your household.
