Summer Tours of St. George's

This summer St. George's was open for tours on the afternoon of the Ice Cream Social at the Old Governor's Mansion. Under the leadership of Tom Tudor they will be expanding tours times to weekly on Thursdays and Fridays, from 11 am to 2 pm. Three St. George members would be available during each period.

You don't need to be a history major to participate. A short written history of St. George's is available for the tour conductors to use, and the booklet setting out the history of the window is also available.

Please contact Tom Tudor (701-390-4742) if you would be interested in assisting with this great marketing opportunity for St. George's.
