Search Committee

Update

We have received two applications for the rector position! The search committee is working on questions for the Teams interview of both as well as reviewing video of sermons. After the virtual interviews, we can decide if we need further information, including possibly watching a service that the candidate does in their current locations. Please continue to pray for a rector that is a great fit for St George's and that we are a great fit for the rector.

Chair of Search Committee

In loving Memory

We received word that former member, Jane Harrison, died on Easter Sunday at the age of 101. Jane was residing at an assisted living facility in SD and was still active in that community. Jane and her late husband were faithful and generous members of St. George's for decades. She will be interred in Minnesota with her husband, Ed, at a later date.
